

# MARCH 2015 MONTHLY CHECKLIST

Texas Independence Day is March 2nd. Replace your worn-out Texas flag with a shiny new one to celebrate this great day in Texas history.

Storm season is on its way. Download our top-rated weather apps for severe weather in Texas to keep you and your family safe and sound.

Did you know that asthma and allergies strike 1 out of 5 Americans? Invest in a professional duct cleaning this month before allergies soar.

In honor of St. Patrick's Day, update your home with green, energy-saving LED light bulbs.

Before hitting the water for spring break, be sure your boat and watercraft is properly insured for liability. Ask your Texas Farm Bureau Insurance Agent for a 360 Review® today.

March is National Craft Month. Go through your craft stash and toss things like old paintbrushes, unfinished projects, and hardened glue and paint.

Take these three simple steps to earthquake-proof your valuables. 1) Secure tall or heavy furniture to the wall. 2) Bring breakable display items down closer to the ground. 3) Close doors on curio/entertainment cabinets with ties or rubber bands.

Need a last-minute spring break escape? Check out these Lone Star destinations across the state.

March is National Nutrition Month. Start a family meal-planning notebook with these easy-to-use printables.
